

CHAMPION DIESEL TREATMENT

Cleans the complete fuel system, increases cetane number and restores power and performance. Improves combustion and reduces fuel consumption. Lubricates the diesel pump in case of low sulphur fuel.

APPLICATIONS

For all diesel engines, including common rail, with or without turbochargers. Add the content of one bottle to the fuel tank, prior to filling. The contents of one bottle is sufficient for 50 to 60 litres of diesel fuel.

FEATURES

Cleaning action: superior cleaning of the fuel system

PERFORMANCE
