

CHAMPION PRORACING GP AIR FILTER CLEANER

This is the ideal cleaning fluid for all foam rubber air filters. It efficiently removes sand, dirt and other potentially harmful particles, restoring the filtering capacity of the air filter quicker.

APPLICATIONS

Compatible with all foam rubber air filters. Drench the air filter with the fluid. Clean it thoroughly by squeezing the filter intensively. Use water to wash out all the absorbed dirt, sand and oil. Wring all the water from the filter and let it dry completely.

FEATURES

Cleaning capacity: optimal filter capacity

Broad compatibility: can be used within all foam rubber air filters

Ease of use: quick and efficient procedure

PERFORMANCE
